

Regence has **you** covered **ACROSS THE COUNTRY AND AROUND THE WORLD.**

The BlueCard® Program

With coverage from Regence, you take your health care benefits with you—across the country and around the world. The BlueCard Program gives you access to doctors and hospitals nearly everywhere, so you'll have peace of mind knowing that you can always find the health care provider you need.

Choices

Your Regence membership gives you a world of choices. Through the BlueCard Worldwide® Program, you're free to choose doctors and hospitals that best suit you and your family in more than 200 countries and territories around the world.

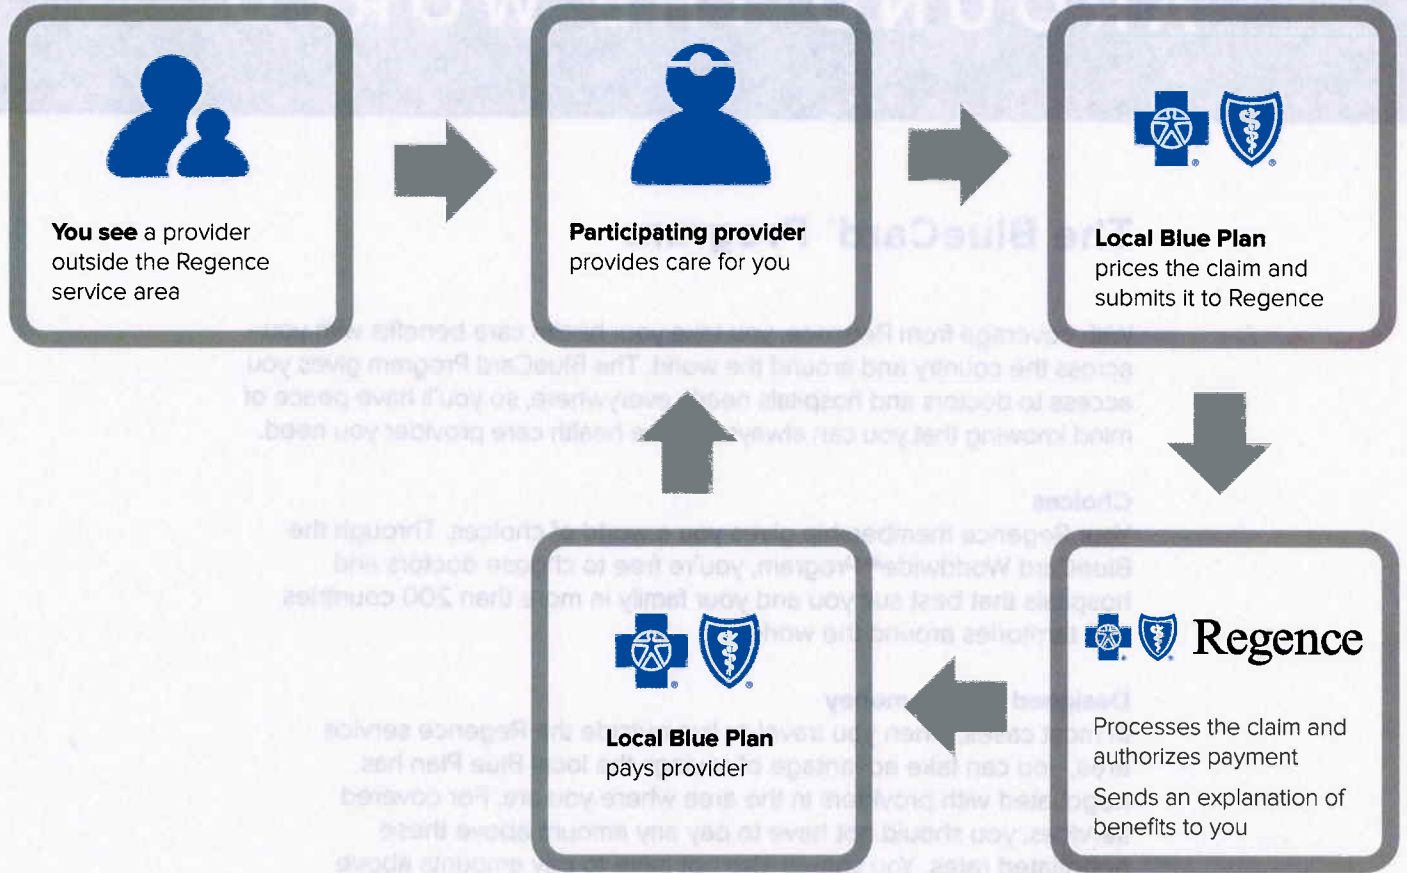

Designed to save money

In most cases, when you travel or live outside the Regence service area, you can take advantage of savings the local Blue Plan has negotiated with providers in the area where you are. For covered services, you should not have to pay any amount above these negotiated rates. You should also not have to pay amounts above any applicable out-of-pocket expenses.
