

# Change Healthcare (CHC)

At EMI Health, we understand that to remain successful in today's increasingly competitive environment, you must be able to attract and retain the best talent, provide high quality healthcare while lowering costs, and increase employee engagement and satisfaction. This is why we've joined forces with Change Healthcare, the market leader in consumer engagement and cost transparency, to bring you several new tools designed to support your long-term success.

EMI Health in partnership with CHC will provide you and your employees access to:

**Cost  
Lookup**

**Provides consumers the ability to identify the best priced option for a combination of nearly 3,000 medical, pharmacy, dental and vision services.**

**Proactive  
Alerts**

**Proactive, personalized alerts that focus on population health and user savings opportunities to drive engagement.**

**Healthcare  
University**

**Gamified benefits education platform that educates members on topics ranging from healthcare basics to consumerism.**

Change Healthcare's approach delivers market-leading sustained engagement rates and quantifiable savings. EMI Health is excited to bring you these new tools. We think you're going to like what you see.

- **Delivers personalized solutions** that are relevant to the individual;
- **Educates** on how to be a better healthcare consumer;
- **Creates awareness** of resources available to help;
- **Reaches out proactively**, again and again, with savings opportunities; and
- **Encourages sustained engagement** to drive long-term behavior change, transforming passive healthcare users into proactive healthcare consumers.
